Sir,

With reference to your docket No. 1244/D dated the 22nd instant, I have this honor to state that the weights and measure sent to you from this Jail were correctly counted and packed in a deal wood box in the presence of the Chief Jailor and seen by the Superintendent as before its despatch. There was handed over to the Railway authorities in good Condition. The damaged condition in which it was received by you and the loss of one Cast iron ½ Seer weight, is therefore apparently due to rough handling either during its transit or subsequently and not due to any carelessness here.

I

As you have asked for a fresh ½ Seer weight, I have this day forwarded one to your address by post. I enclose a bill in triplicate for the number of weights and measures supplied including the above one for favour of your Countersignature and Kind returns.
